

Parking and Accessibility at Old Pine Street Church

There are two options for free parking. We have a parking lot, located on the east side of 5th Street between Lombard and Pine Streets (*indicated by the blue box on the map below*). We also have on-street parking privileges, on the north lane of Lombard, between 3rd-5th streets (*indicated by the blue line on the map below*). If using on-street parking, please get a placard from one of our greeters and display it in your windshield.

There is a loading zone directly in front of the main entrance at 412 Pine Street, which can be used for dropping off people with mobility issues.

We are wheelchair accessible. There is a ramp on the west side of the building that leads to the church foyer. In the foyer, there is an elevator to the upstairs sanctuary. There is an accessible restroom next to the nursery on the first floor. Please ask a greeter at the main entrance for assistance.
